MIDGETS WIN AT BASKETBALL

Outlaws Score Only Three Points—Final Count, 34 to 3.

The University Midgets won the first game of the series for the championship of the Summer Session Basketball League by defeating the Outlaws, 34 to 3, last night. The game was played at Rothwell Gymnasium.

The defense of the Midgets proved too strong for the Outlaws. At the opening of the game the Outlaws scored one field goal. This, with a free throw in the second half, made up their entire counters during the contest. Sach Rowitz, Midget guard, in addition to holding his opponent forward to no goals, got two baskets from the field. Brooks, Orr and Pittam were the heavy scorers for the Midgets.

Four minutes from the end of the game Pittam was put out for unnecessary roughness. During the remaining period the Midgets played with four men and scored twelve points.

The score at the end of the first half was 11 to 2. In the second period the Outlaws reversed positions, the guards going forward and the forwards taking up the defense. This appeared to weaken the team, as the Midgets counted twenty-three points in that half.

The Outlaws declared they wanted another chance at the Midgets, so C. E. Van Gent has scheduled a second game for next Tuesday night.
